

## HELP ALLEVIATE SUFFERING

**OUR MISSION:** To improve the quality of life for people with health or mobility issues by redistributing donated medical equipment and supplies to individuals and partnering organizations, domestically and internationally.

**OUR VISION:** A transformed world in which everyone with health or mobility issues has access to appropriate medical equipment and supplies.

**BEFORE:** *Ebola is destroying our existence, lives are stagnated, the economy is shattered, the government is overburdened and people are left helpless. My very existence depends on my friends abroad and I am indebted to my people as their only hope. All I could do is to pray to our loving father for mercy and provision and to ask friends like you to help us. We urgently need your help.* Dr. ABD, Sierra Leone hospital

**AFTER:** We sent a full shipment of protective gear and equipment. *"Our sincere appreciations and profound gratitude for such an excellent donation; we appreciate you all for making it possible. God bless you all."* Dr. ABD.

70+ countries served by mission trips, full and partial forty-foot container shipments.

95% of donations go directly to ministry.

Average ministry value per year: **\$2-3M**

**LIVES SAVED—PRICELESS!**

## WILL YOU TOUCH A LIFE?

In 2016, the World Health Organization reported that each year **5.9 million children** die before they reach their fifth birthday. Will you help us support healthcare needs?

If you have money in your wallet and some change lying around you are among the top **8% of the wealthiest people** in the world.

### BECOME A GIVING PARTNER

Every dollar donated provides **\$15** worth of medical equipment or supplies delivered.

\$10 = **\$150** to help the disabled.

\$50 = **\$750** to heal the sick.

\$100 = **\$1,500** to save lives.

**Make a Difference! Invest in Lives!**
