

JUNE HEARTBEAT

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock." Matthew 7:24

Issue 6 Vol. 19 | June 26, 2019

The Rock Campaign

Luke 6:46-49 NIV says, "Why do you call me, 'Lord, Lord,' and do not do what I say? I will show you what he is like who comes to me and hears my words and puts them into practice. He is like a man building a house, who dug down deep and laid the foundation on rock. When a flood came, the torrent struck that house but could not shake it, because it was well built. But the one who hears my words and does not put them into practice is like a man who built a house on the ground without a foundation. The moment the torrent struck that house, it collapsed and its destruction was complete."

In recent years, Hands of Hope Northwest has been planning for a new, larger warehouse at our current location. Through generous donations of land and money, we are blessed to own the land around us. We have conceptual drawings of what the new warehouse and existing buildings will look like after construction. The first phase of our capital campaign was completed last fall with the construction of our second parking lot.

Currently, through our monthly donors, we are able to meet our monthly financial obligations. With this said, before we can start our capital campaign for the new warehouse, it has been put on my heart the need to build up our monthly donor base to cover the additional day-to-day cost of running the new warehouse.

We are looking for **200** or more new monthly donors who will commit to give **\$25.00** per month. This will raise an additional \$5,000 per month for the general budget.

"Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock."

- Matthew 7:24

This is how I envision following God's plan for building on a foundation of rock for HoHNW's future.

If you would like to build a solid foundation to help others and become a monthly donor, please send your check marked "The Rock Campaign" in the memo with the tear-off slip on the back of this newsletter. Thank you!

Director's Note

The best laid plans will always change! With the delays in getting the container shipped to Kenya, we needed to postpone our trip to the new Magumu Medical Clinic. At this point, the container will not arrive before our planned arrival. We are looking at joining a larger group from Expansion International on their medical mission trip in late October.

After completing the Phase 1 parking lot, we are entering Phase 2 of our capital campaign. During Phase 2, we will be working on increasing our monthly donors as we continue to work toward building a new warehouse at our current location. If you have questions about Phase 2 or the new warehouse, give me a call.

At our annual fundraiser next year, we will be raising funds and awareness for our local Community Medical Equipment Loan Program. If you are interested in being involved and helping with the planning, please give us a call at the office. The more people we have helping, the better the event will be!

New Board Member—Nathan Moffet

Nathan Moffet and his family moved to the Treasure Valley in 2017 from Phoenix, Arizona. He and his wife, Sandy, have been married for almost 30 years and have four children ranging in age from 23 to 11. Nathan started a new job as a Product Manager at Micron after working 20 years at Intel Corporation.

Nathan and Sandy adopted two children from Ethiopia, and have gone on several short-term mission trips with their family to Malawi and Haiti. Nathan served on his home church board in Arizona for four years as the Board Secretary.

In his spare time, Nathan enjoys being involved in his local church and raising his family. We welcome Nathan to our growing board.

Special Visitor

Dr. Sheryl Uyeda was in town and stopped by for a visit. Sheryl serves as a surgeon in Papua New Guinea at the Kudjip Nazarene Hospital. She shared photos and stories of how helpful the supplies are that we send each year. We appreciate Sheryl taking time to stop by and sharing how what we do here in Nampa is helping those in need half a world away.

Equipment Loan Thank You Note

We recently helped a local resident whose father was having a hip replacement surgery. Here is her response: "Hands of Hope was fabulous! We got an extended tub bench and a walker for Dad." Touching lives like this daily is based on a bedrock of serving Christ.

Yes, I would like to be a Hands of Hope NW Ministry Giving Partner.
