

JULY HEARTBEAT

"Be completely humble and gentle; be patient, bearing with one another in love."
Ephesians 4:2

Issue 7 Vol. 19 | July 17, 2019

The College of Idaho Student Philanthropy Council

The College of Idaho Student Philanthropy Council recently awarded HoHNW a \$1,000 grant to put toward our Community Medical Equipment Loan Program. We used the funds from the grant to purchase 4 more knee scooters and chemicals for the washer machine we use to clean and sanitize equipment when it is returned. We usually have 2-4 people on the waiting list for knee scooters. With help from the grant, we hope to reduce the amount of people needing a scooter on the waiting list, so they can get help quickly. We are grateful for how giving and helpful individuals, companies, and education institutes are in helping us provide help to those in need here in the Treasure Valley.

Conceptual Drawing Campus Expansion

In recent years, Hands of Hope Northwest has been planning for a new, larger warehouse at our current location. Through generous donations of land and money, we are blessed to own the land around us. We have conceptual drawings of what the new warehouse and existing buildings will look like after construction. The first phase of our capital campaign was completed last fall with the construction of our second parking lot.

If you would like to build a solid foundation to help others and become a monthly donor, please write "The Rock Campaign" on your check, or donate online and select "The Rock Campaign" fund.

Currently, we have just over \$12,000 in a restricted account that has been given for use toward construction of the new warehouse. To donate, you can choose the "Capital Campaign" fund when giving through our website, or write it in the memo section on your check.

Director's Note

Earlier this month, I traveled to Cape May, NJ for my younger brother Scott's 50th birthday. I have three brothers. Jeff and Matt are older and Scott is the youngest. We all traveled to be together for the celebration. It was four days of laughing and telling stories of growing up and the lessons we learned. Scott put together a clam bake with lobster for his birthday dinner—there's nothing better than going to the docks to purchase your dinner fresh from the sea! On Sunday, we had the privilege to hear Scott preach. He is an amazing pastor! I flew in and out of Philadelphia. On our way to drop Jeff and myself off at the airport, we took time to get a Philly Cheesesteak. Getting the sandwich in Philly is an experience. You stand in line, and when it's time to order, you are asked with or without. Now if your family or friends do not give you a heads-up beforehand, you end up dumbfounded by the question. It's a simple question—with cheese or without? If you take too long, they will kick you out of line. The next person asks if you want onions and peppers. To me, it's not a real Philly Cheesesteak if you do not get both the peppers and onions. We enjoyed our meal together, laughing as we ate. I am blessed to have three brothers that I not only love but I look up to each of them.

Todd Durbin

July Prayer List

- Moldova shipment on the water
- More Storage Space
- The Rock Campaign
- Board, staff, and volunteers

From 1992 thru March, HoHNW has served **76** countries, with **129** full 40' shipments **96** smaller shipments **267** mission trips

Ministry Center 1201 S Powerline Rd Nampa, ID 83686

In Memory of Richard Murtland

Many of you will know that our first shipment back in 1992 was a 4-foot cube of medical equipment that we sent to Papua New Guinea to the Kudjip Nazarene hospital.

Pictured with the crate is Rich Murtland who passed away on May 22nd this year. We appreciate the

20+ years that Rich and Liz gave to HoHNW, establishing it as a beacon of hope for future generations. Liz Murtland is the Founding Executive Director of HoHNW and she is in our thoughts and prayers at this time of loss of both her husband and son.

Warehouse Volunteer Hours

Tues, Wed, Thurs 9am-noon
Tuesday Evening Closed for Summer
