

HANDS OF HOPE NW—2020 DONOR REPORT

HAPPY NEW YEAR!

We hope and pray for a brighter, healthier year with fewer restrictions to serve others here and around the globe. We can only do it with your partnership and support, and we are forever grateful for our donors and volunteers. Your 2020 giving is yielding a bountiful harvest. Praise God!

2020 Treasure Valley Impact

You helped us loan out medical equipment to **1,103** local residents, at no charge. **90** more received free rollator walkers or grabbers.

Your support equipped a variety of local organizations, including hospitals, clinics, a veterans hall, schools, and churches. And frontline healthcare providers received **\$32,980** of PPE supplies.

Thank you Note from Guatemala

As we prepare another shipment to Guatemala, we're reminded of a thank you note from Alex, our partner in Guatemala.

"Thank you very much for this great support and rest assured that we will be sending you more good news about the impact on people through this great donation. God continue to bless you and we look forward to receiving help in this new year." - Alexander Gálvez, Director Transiciones, Guatemala

Making a Difference. Investing in Lives.

It was a tough year for shipments, but through our partnership with Global Gateway Network, you helped us send **3** large shipments to help displaced Syrians and **1** shipment to Chad.

Todd Winter, of New Hope, picked up **3** small shipments for Papua New Guinea, and our Care Convoy friends in Jerome took **2** small shipments for Ecuador and **1** for Mexico.

We also sent **1** small shipment to China to help them out before the pandemic hit the US.

Transforming Lives with Equipment and Supplies.

16 Medical Mission Trips

Value: **\$57,158**

With **9** mission trips to the Philippines, babies and moms received a high level of medical assistance from

mission teams through our partnerships with Shalom Birthing Center and Mercy in Action.

Medical supplies for **2** trips to the Congo amounted to **\$43,395**, the highest value given to one country. Other countries you assisted were Myanmar (Dr. Chuck's team), Jamaica, Ecuador,

Belize, and Tanzania. These **16** trips totaled **\$57,158** in donated medical supplies. As a result, your support has given countless people around the world better medical outcomes and hope for their future.

11 Global Shipments

Since 1992, you have helped us ship medical product to **77** countries, including the US.

It takes a huge volunteer effort to get these donated medical equipment and supplies ready for shipment. While the pandemic reduced our volunteer hours by a third, the total value of your overseas impact in 2020 was **\$2,191,683**, versus \$1,932,494 in 2019.

Only with God is such an increase possible!
