

HANDS OF HOPE NW EVENT NEW DATE ANNOUNCEMENT: 25 YEARS OF HOPE CELEBRATION

The Hands of Hope NW Board decided to postpone our 25th Anniversary Celebration scheduled for October 14th based on current Covid data particularly in Canyon County where the event was to take place. The event has been rescheduled for **Thursday evening, March 10, 2022**, at the same location: College Church of the Nazarene. The Board will continue to monitor Covid data over the coming months, and ticket holders will be notified of any final details closer to the rescheduled date.

Hands of Hope NW is a partner with the healthcare industry, and we are aware of the situation in our local hospitals. The board wishes to support our healthcare partners and take precautionary measures to keep health and safety paramount in our planning.

This decision hasn't changed our excitement about celebrating "25 Years of Hope." Over the years, we have witnessed God's provision and timing when serving people in need through our international medical shipments. And we are honored to continue providing Treasure Valley residents with durable medical equipment through our Local Loan program, often sending out 20 pieces of medical equipment daily.

We hope you will continue to support Hands of Hope NW with your contributions through this difficult time as people still need our help, both locally and globally. We would appreciate your prayers as we navigate this pandemic.

All sponsorships and ticket purchases will be applied to the future celebration. Recognition of sponsors will be continually displayed until that time as well. If ticket holders or sponsors would prefer to receive a refund, please call our office at 208-461-1473 and ask for the Office Assistant.
